### **Responsibility of the Board of Directors and the Chief Executive Officer**

The Board of Directors and the Chief Executive Officer are responsible for the guidelines being followed and for the internal control that the Board of Directors and the Chief Executive Officer deem necessary to ensure that the guidelines are followed.

### **Responsibility of the auditor**

Our responsibility is to issue an opinion, based on our audit, to the annual general meeting as to whether the guidelines have been followed. We have conducted the audit in accordance with FAR recommendation RevR 8 *Audit of remuneration of senior executives of listed companies*. This recommendation requires that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance that the guidelines adopted by the annual general meeting are followed in all material aspects.

The audit has covered the company's organization for and documentation of remuneration issues for senior executives, the new decisions on remuneration that have been taken and a selection of the payments made during the financial year to the senior executives. The auditor chooses what procedures are to be performed, in part by assessing the risk of the guidelines not being followed in all material aspects. In making those risk assessments, the auditor considers internal control relevant to compliance with the guidelines in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

We believe that our audit provides a reasonable basis for our opinion set out below.

### **Opinion**

We consider that the Board of Directors and Chief Executive Officer of Lagercrantz Group AB (publ.) during the financial year 2014-04-01–2015-03-31 have followed the guidelines on remuneration of senior executives adopted at the annual general meeting on 27 August 2013 and the annual general meeting on 26 August 2014.
