

PRESS RELEASE

Lagercrantz acquires Epoke A/S

Lagercrantz has today acquired 100% of the shares in Epoke A/S, a leading manufacturer of winter road maintenance equipment based in South Jutland, Denmark.

From its foundation in the 1930s, Epoke has evolved into a frontrunner in the road safety industry, where it is known for its technologically advanced and environmentally sustainable solutions. The company generates annual revenues of approximately DKK 240 million, with good profitability. For more information, visit www.epoke.dk

"I see Lagercrantz as a strategic, long-term owner who will support our continued growth by building on our market position and industry expertise", says Peter Bertelsen, MD of Epoke.

"We are delighted to welcome Epoke to Lagercrantz. The company brings niche market leadership, best in class technology, and a strong platform for growth in both Denmark and international markets", says Patrik Klerck, Head of Division International.

Epoke will be part of Division International, and the acquisition is expected to have a small positive impact on Lagercrantz Group's earnings per share.
